"Spray" Sails Again

On the high tide Thursday morning a sturdy ocean going sailing craft with a familiar name slid into the waters of Mattapoisett harbor. The name, "Spray", has a familiar ring here in New England. The original Spray was the boat in which Captain Joshua Slocum circumnavigated the globe. The "new" Spray is a replica of the original and is owned and captained by Paul Zychowicz of Mattapoisett. Paul has been carefully re-

Joshua Slocum by Eben Pierce, a New Bedford whaling captain. The old whaleman told Slocum that "she wants some repairs". Slocum working in Fairhaven restored the vessel with his own labor, plank by plank, at a cost of $553.62. He wrote the book "Sailing Alone around the World" about the 46,000 mile voyage.

This "Spray" was built or "overbuilt" as its new skipper explained for just such an adventure. Every plank, every beam is several times the strength and thickness required because it was built to sail the deep ocean around the world. It was built for a dream voyage which never came to pass because the builder died before he could undertake it. It changed hands and was finally discovered a few months ago by Paul Zychowicz.

Paul plans to make daily trips out of New Bedford this summer and will charter the craft for special trips. He hopes that it will be part of the familiar scene at New Bedford harbor and that it will add to the attraction of New Bedford for tourists as it takes them out for sails on Buzzards Bay.

The ship will be berthed at Billy Woods Wharf in New Bedford and will start weekends and holidays in May and June.

This Spray was a cruise ship out of Boston for twenty years until 1983. It then sailed out of Hyannis until the company that ran the ship went bankrupt. Paul Zychowicz bought the ship to return her to her element-sailing from a port world famous for sea-going sailing ships.

Jet Skis Not Welcome

J. DeCOSTA REMAINS AS CHAIRMAN
MATTAPOISETT SELECTMEN'S MEETING
APRIL 16, 1991-by VIRGINIA MORGAN

There were those in favor and there were those who were opposed to having jet skis patrolling the inner harbor. Those against - Board of Selectmen and Harbormaster - met last Tuesday, and the vote by selectmen was thanks, but no thanks.

Those in favor were the police department who initially informed the selectmen the department had applied for information for a grant sponsored by Kawasaki-Yamaha Corporation called "Watercraft Loan Program". Police Chief James F. Moran explained in his letter, "This program is for Law Enforcement Agencies to enhance public safety and help alleviate budgetary constriction. The corporation would loan police departments Jetski or Waverunners type vehicles which are capable of carrying up to three persons for patrolling waters too shallow for motor boats and travel up to 38 miles per hour. The town does qualify for participation if the selectmen agreed."

Citing several reasons for not wanting the jet skis in the harbor, Chairman John DeCosta noted the insurance liability if a police officer should fall off or get injured; it would be a risk to the town. Selectman Paul E. Lambalot was definitely not in favor of the jet skis, noting the added insurance liability and additional funding for payroll. Mr. Lambalot also said this is a commercial company and it has one purpose - to sell and profit. The skis could be dangerous to someone swimming in the water, as they have to be run at high speed.

Selectman Daniel O. Mahoney was perhaps more adamant than the other two selectmen when he cited noise pollution as something not to be encouraged. "True, I have a per-

sonal reason bcause I live so near the water. I have a bias. In the morning when the harbor is calm then jet skiers intrude on a quiet morning is something we don't need. Also, Mr. Mahoney added wharf regulations call for confining jet skiing to the recreation section of the harbor. This is where high speed motor boats and water skis belong.

Mr. Lambalot further expressed concern for allowing jet skis and water skis on long rope from a boat in the same area. This could be a safety factor even in a recreational area where a jet skier could cut off the rope holding a water skier.

Harbormaster Steven Mach was asked to comment, and he said, "There are many problems associated with jet skis; they do not maneuver well at low speed; therefore, we discourage launching them at the wharf. They do not operate at night, and they carry no communication equipment."

In his letter to the board, he said, "In the past I have offered the use of the harbormaster's boat to the police, fire departments and the rescue squad for emergencies, provided they have their people checked out as operators by someone in the harbormaster's department. If any of these departments feel they need to operate on the water, I would be much more comfortable having them do so in the new town boat. It is safer, faster and better equipped, and is more practical than a jet ski."

On another matter, selectmen asked the harbormaster his opinion of a notice from Buzzards Bay Project that there is a grant available to communities to implement mobile boat pump-out facilities for this coming boating season for boat sewage collection in the bays and harbors of Buzzards Bay.

Mr. Mach asked, "What would we do with the sewage if we did pump it out of boats?"

Harbormaster Mach said, "This money ($5,000) must be used for a floating facility. This would require the town to mount the facility on a boat or raft and to operate in the open water of Mattapoisett harbor. With these rough water conditions we have on most days in the harbor, the use of this facility would be very limited.

"Additionally, Mattapoisett Boatyard has set the wheels in motion to obtain a permit to install a dockside pump-out station at their facility. Also, a notice from the state Division of Waterways states Leisure Shore's Marina has been inquiring regarding the installation of a pump-out station at their facility. In light of these facts. I would not recommend that the town apply for a mobile facility." Following both a discussion and a written report from the harbormaster, selectmen voted to decline the grant offer.

O. Mahoney as clerk. The third member of the board is newly elected Paul E. Lambalot.

In other business, selectmen:

VOTED UNANIMOUSLY to dispose of the case of Mr. and Mrs. Arthur Parent's complaint of the barking dog Zsa-Zsa belonging to Ms. Pat Macaluso. A hearing was held on March 12th at which time selectmen took the matter under advisement after hearing testimony by the two parties involved, as well as neighbors and dog officer Brian Nunes.

Selectmen had directed Mr. Nunes to check the days at various times during the day when the Parents were annoyed. Mr. Nunes reported Tuesday that the dog barked at the paper delivery girl but stopped when she left the area. Mrs. Parent asked Mr. Nunes his opinion if the dog would be vicious if it got loose. Mr. Nunes said, "I can't assume what the dog would do. I can't answer whether it would be friendly or aggressive."

In conclusion, Selectman Mahoney recommended there was no evidence the dog is vicious, nor that the barking was excessive within the definition of the law, nor that if the dog broke loose it would endanger anyone. Mr. Mahoney urged the owner that care should be taken that the dog not get loose.

Attorney Bruce Lider, representing Ms. Macaluso, offered in evidence photos of the dog with children and letters from par-

On another matter, the Council on Aging invited the board to attend a "Volunteer Recognition Party" at 3 p.m. April 24th at Village Court.

RECEIVED A LETTER from the Mattapoisett Lions' Club advising that the Lions' Club wishes the return of the boat "Sea Lion" which the town has been using for the harbormaster, as they wish to refurbish the boat for disposition. Now that the town has purchased its own boat for the harbormaster's use, the "Sea Lion" is no longer needed. Selectmen discussed proposals from the police and fire departments and rescue squad for the uses of the boat in their safety and emergency activities.

Chairman DeCosta noted he would like to see this special gift of the Lions' Club remain in town. Selectman Mahoney recommended the Lions' Club confer with the board before disposition of the boat.

TABLED ANY ACTION on a request from the state Division of Energy Resources seeking publicly owned land of five acres or more for the possibility of Wind Power Development. Building Inspector Andrew J. Bobola filled out the informational survey, noting the only area large encough and owned by the town is the sanitary landfill area.

Selectman Mahoney commented "this small town doesn't need it", and Selectmen DeCosta and Lambalot agreed the board has no interest at this time and would not want to devote public land to this purpose.

The board went into executive session for the purpose of discussing bargaining

New Hours, Assessors

Board of Assessors Chairman Harvey J. Blanchette announced the Assessors' office in Town Hall will be open to the public from 8 a.m. to 4 p.m. Monday through Friday; the office will remain open during the lunch break.

"These expanded hours will give us the opportunity to better serve the public needs," Chairman Blanchette said.

The chairman also announced that all assessors will soon be certified, a state requirement. Assessors Michael L. O'Brien and newly elected Robert J. Fay are in the process of completing a 10-week state-mandated certification course conducted by the Massachusetts Association of Assessors held at the Massachusetts Maritime Academy. The course covers Assessment Administration, Law, Procedures, Valuation and Classification. Chairman Blanchette, who received his certification last year, is continuing to up-date his expertise by attending a 10-week course on Micro-Computer Concepts at New Bedford Vocational School, conducted by the state Association of Assessors.

In conjunction with the show, Ms. Lissance is offering a papermaking workshop on Sunday, April 28th, from noon to 3:00 p.m. at the Center. Friends of Paul Hubbard

Paul Hubbard is a sixth grade student at Old Hammondtown School in Mattapoisett who has muscular dystrophy and is confined to a wheelchair. He was recently fitted to an electric wheelchair, which means he can only be transported in a van with a power-lift.

As Paul's disease progresses so will his physical and medical needs.

Friends of Paul Hubbard have constructed a ramp on the outside of the home he shares with his mother, Donna.

Paul and his mother need further assistance to acquire a van to transport him, a computer so that he can do his schoolwork, and other items which Paul will need in order to continue living at home.

Friends of Paul Hubbard is a group of concerned citizens who want to help.

Recycling Counts!

This Saturday, April 27, 8 to 2, your Recycling Committee will once again "officiate" at the town landfill area with your recycling. We've moved from the town barn area to the landfill area, off North Street, on the right, one mile beyond the I 195 overpass.

Watch for "Landfill" and "Recycling" signs.

From this date on, recycling may be done from 8 to 2 Tuesday through Saturday every week for your convenience. No coupons or stickers needed.

Please remember: Items must be clean.

This will be the "swan song" of the Mattapoisett Recycling Committee's attendance at the Recycling Center, as we turn it over to the landfill operators.

However, your committee will continue to further educate the public. To save our land for future generations, to recycle for remaking, redoing, reusing is our aim!

Many thanks go to all of you who have joined in this worthwhile world-wide effort.

Keep up the good work.

4-H Tails & Trails

Tails & Trails 4-H Club has had an active and successful year. Our officers for 1991 are Missy Bessey, president; Jennifer DeMoranville, vice president; Bethany Joseph, treasurer; and Kathy Johnson, news reporter.

We had two double horse judgings in the fall, one at Ashland Stables in Mattapoisett and the other at Fascolo's Stable in Taunton. Two of our members, Kathy Johnson and Amy Diggle, made alternates for state competition. We had several members participate in the County Horse Bowl Knowledge and Hippology tests. Our junior finalists were Melanie Roderick, Jen DeMoranville and Molly King. Our senior finalists were Missy Bessey and Kathy Johnson. We had a speaker for our February meeting, Mr. Joe Lombardi, a well-known judge and instructor, who gave our members an interesting viewpoint on showing. March brings our club's oral demonstrations. Kathy Johnson and Missy Bessey were chosen to represent Plymouth County at state level. We also had Lora Perry, Elizabeth Norweb, Brenda Haarala and Amy Diggle compete at county level.

We will be having barn checks this coming week, as well as a demonstration by Bob Viera (a farrier) at Ashland Stables. We are looking forward to our annual Field Day at Ashland Stables on April 28th. We will be having showmanship, riding and pleas-

TRI-TOWN PROGRAM
HEALTH CARE PROXY LAW

On Thursday, May 2nd, the Rochester Council on Aging will host a special program on the Massachusetts Health Care Proxy law, for all interested persons in the tri-town area. It will be held at the Rochester Town Hall Conference Room at 1:00 p.m. Attorney Stephen Kiley will speak and answer questions about the new health law.

This is one of 100 similar programs marking ELDER RIGHTS WEEK across Massachusetts, sponsored by the MA Executive Office of Elder Affairs and the MA Bar Association.

Last December Massachusetts enacted the Health Proxy law, which establishes the right of every individual to appoint another person to make health care decisions in the event that the individual cannot make these decisions for himself or herself.

The Health Care Proxy is considered by many people to be a superior alternative to the Living Will. One needn't be a senior citizen to appoint a health care proxy; every person 18 years old and over may designate such a proxy.

Don't miss this opportunity to learn about this new law. The program is free and open to the public. Sample Health Care Proxy forms will be distributed to all who attend.

gram specialists through December 31, 1994. The specialists provide employment assistance to disabled and other veterans. A staff cut of 80 percent is slated for the program in December. There are approximately 1,880 specialist positions.

Extended Unemployment Compensation: Extends from 13 to 26 weeks the period of time which personnel leaving military service can draw unemployment compensation benefits (same as civilian benefits period).

Eliminates 4-week waiting period now required before receiving benefits.

Home Loans: Creates a VA direct home loan entitlement for Guard, Reserve and active force members denied a home loan because of prior service or the possibility of future service in the Middle East.

Provides VA guaranteed home loan eligibility after 90 days active duty for Reserve, National Guard and active force members (wartime benefit).

Life Insurance: Increases Servicemen's Group Life Insurance (SGLI), retroactive to August 2, 1990, and Veterans' Group Life Insurance (VGLI) maximum coverage from $50,000 to $75,000.

Compensation: Restructures Dependency and Indemnity Compensation (DIC) for families of those who die of service-connected causes by establishing 4 DIC benefit rates based on the veteran's age at time of death, rather than rank in service or degree of disability.

The new formula is based on the following: the lower the age of the veterans at the time of death, the greater the need for replacing lost income and support for the veteran's survivors. The four rate categories would be as follows:

Highest rate for "under 35" age group;

DIC benefit of $750. per month. Second highest rate for "35 to 49" age group; DIC benefit or $700. per month. Third rate would apply to "50 to 64" age group; DIC benefit of $650. monthly. Fourth rate would be for "65 and over" age group; DIC benefit of $600. per month.

Monthly DIC payments now range from $594 for an E-1 to $1,524 for an 0-10. The average DIC payment is at the E-5 rate of $686. These figures reflect the 5.4 percent increase signed into law on February 6th.

Current DIC recipients would be protected and those receiving cover benefits could elect the higher rate.

There are several other provisions which will be published in a future edition.

Osprey Walk

The Plymouth County Wildlands trust (PCWT) invites the public to join Dr. Alan Poole, author of Ospreys: A Natural and Unnatural History, for a guided walk at PCWT's 26-acre Mink Cove-Elkins Preserve in Wareham on Sunday, May 5th, at 7:00 p.m. Mink Cove, an estuary on the shores of Buzzards Bay, is home to a variety of marsh and water birds, but most spectacular of all are the ospreys - large, fish-easting hawks whose stick nest rests atop a utility pole. The annual appearance of these birds has become an eagerly awaited event. The walk is free and will last for about two hours. Waterproof footwear and sturdy outdoor clothing are recommended. For directions please call (617) 934-9018 or (508) 224-3587.

Spring is a pleasant time to walk the mink Cove-Elkins Reservation, which contains both marshes and uplands. Dr. Poole, who is on the scientific staff at Manomet Bird Observatory, is an experienced and entertaining guide. He will lead participants through the upland woods of the preserve, where from late April to early May the Trailing Arbutus or "Mayflower" graces the air with its subtle fragrance. Then the walk will move down to the shores of Mink Cove, where there are

States to taste along with hors d'oeuvres. There will be representatives from several of the wineries present to provide information on their fine wines.

Last year's wine festival hosted by Attorney Beauregard and Richard Cardoza was such a success that they decided to present another evening of wine tasting. Mr. Cardoza of Cardoza's Wine and Spirits is an enthusiastic wine connoisseur and supporter of the Zeiterion. His personal goal - to create an 'ultimate' wine shop - is evident in his store. As he said, "There are hundreds of people like myself who are interested in learning about wines, tasting new wines, cooking with and matching foods with wines and getting the best value for their dollars." This wine festival will give people the opportunity to try some new wines and have their questions answered.

Tickets are limited, and are $30.00 per person with all proceeds to benefit the Zeiterion. Members of the Friends of the Zeiterion are offered a $5.00 discount. For more information and tickets call the Zeiterion Box Office at 994-2900.

Tour of New Tobey Wing

The community is invited to celebrate the opening of the new Emergency/Radiology wing at Tobey Hospital in Wareham on Friday, May 3rd, at 3:00 p.m. The dedication ceremony will take place under a tent at the entrance to the new wing and will feature tours of the new facility, a keynote presentation by Commissioner of Health David Mulligan, other state and hospital officials, light refreshments and entertainment.

The modern, spacious facility doubles the size of both departments. Additional trauma and treatment rooms, a family room and designated waiting areas, separate ambulance and outpatient entrances, added radiology testing rooms, and private cubicles for patient registration are a few of the advantages the new wing will offer the community.

Capital campaign chairman Ian Baldwin of Wareham notes, "The project was made possible through the generosity of individuals, businesses, and foundations who contributed over $3. million toward the $5. million project. Hospital employees, physicians, trustees and corporators, and
